20170715 (上午场)

Students aged 13-18 are taught different subjects by different teachers while younger students are taught by only one teacher all day long. Some people suggest it would benefit young students to be taught by different teachers. Do you agree with this view? Why or why not?

20170715 (下午场)

Agree or disagree with the following statement people should spend more time watching programs that provide knowledge and spend less time watching programs which provide entertainment only?

20170708

Some people believe that spending time away from the people we care about helps us improve our relationships with them because being away from these people make us realize how important they are to us. Other people believe that to improve our relationships with people we care about, we should spend as much time with them as possible because spending time apart can damage or harm a relationship.

Which view do you agree with, and why?

20170702 (二选一)

A city wants to help teachers of its high school students (age14-18)improve their teaching. It is considering two plans:

1. Choose a small group of excellent teachers; these teachers will attend a class led by an expert for additional training in how to teach effectively, and they will then come back to their schools and provide that training for other teachers in school.
2. Provide additional training in teaching effectively for high school teachers, using online material that each teacher will study individually.

Which one do you think is better?
